

Food and Fund Drive Planning Guide

Help fight hunger in by raising food and monetary donations for the Regional Food Bank of Oklahoma!

Please use this planning guide to ensure you have all you need to have a successful and exciting event.

Donation Information

Monetary donations go further than you think.

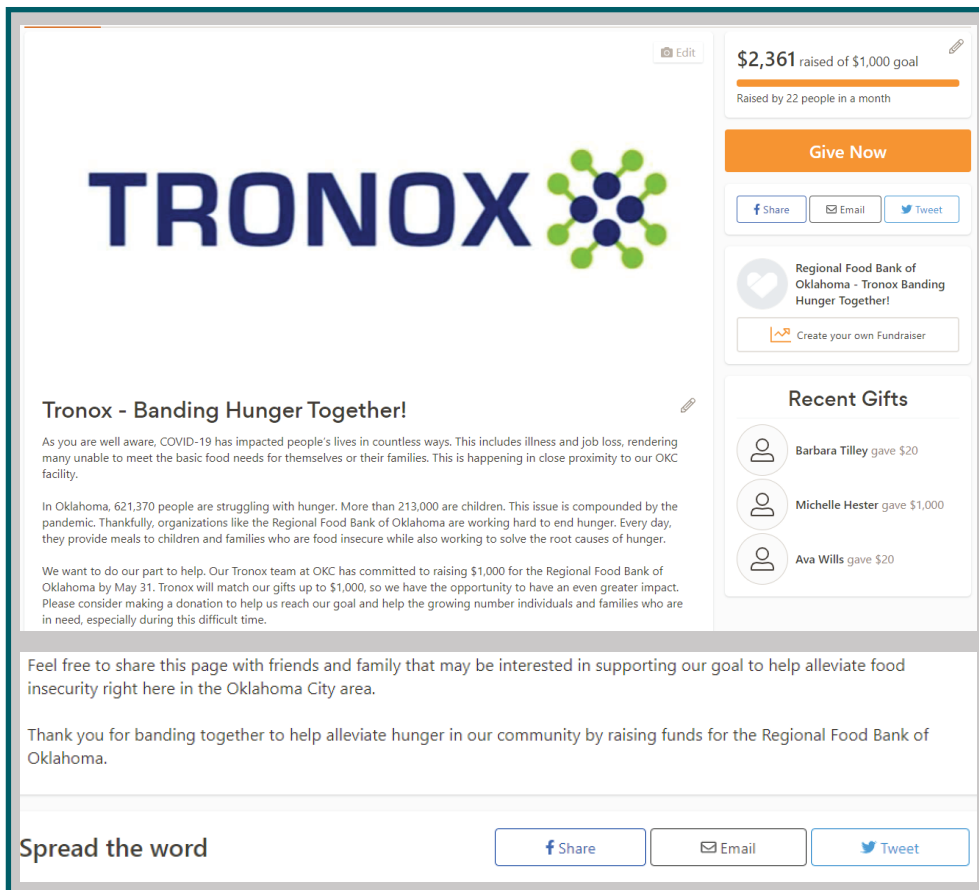

We highly encourage the fund part of this drive, because for every dollar donated, the Regional Food Bank helps provide four meals to the community. Financial gifts also support our innovative programs including those addressing childhood hunger and helping seniors gain access to nutritious food.

\$1 = 4 MEALS

If you choose to raise funds, we can create a personalized giving page for your team. This is where you can get creative! Come up with a campaign title for your drive. For example, *Tronox: Banding Hunger Together*. You can also customize the page with a photo of your choice, a compelling description, a fundraising goal and a website link for you to share and promote your drive.

Example giving page:

Tronox - Banding Hunger Together!

As you are well aware, COVID-19 has impacted people's lives in countless ways. This includes illness and job loss, rendering many unable to meet the basic food needs for themselves or their families. This is happening in close proximity to our OKC facility.

In Oklahoma, 621,370 people are struggling with hunger. More than 213,000 are children. This issue is compounded by the pandemic. Thankfully, organizations like the Regional Food Bank of Oklahoma are working hard to end hunger. Every day, they provide meals to children and families who are food insecure while also working to solve the root causes of hunger.

We want to do our part to help. Our Tronox team at OKC has committed to raising \$1,000 for the Regional Food Bank of Oklahoma by May 31. Tronox will match our gifts up to \$1,000, so we have the opportunity to have an even greater impact. Please consider making a donation to help us reach our goal and help the growing number individuals and families who are in need, especially during this difficult time.

Feel free to share this page with friends and family that may be interested in supporting our goal to help alleviate food insecurity right here in the Oklahoma City area.

Thank you for banding together to help alleviate hunger in our community by raising funds for the Regional Food Bank of Oklahoma.
